

## STATEMENT IN SOLIDARITY WITH GENERAL STRIKE

**Santa Ana, Calif. (January 30, 2026)** – Our office stands with all those who are striking today to send a loud, clear message to the Federal government that the terror tactics of DHS and ICE will not be tolerated!

We support the right of the people to peacefully assemble and denounce the brutality of an administration that pursues injustice and violence against the people at every turn.

We encourage our federal delegation to support the individuals and families directly affected, the right of the people to protest, and efforts to dismantle these rogue and lawless agencies.
